

MANITOU SPRINGS SCHOOL DISTRICT 14

GO MUSTANGS!

MANITOU SPRINGS ELEMENTARY SCHOOL • UTE PASS ELEMENTARY SCHOOL • MANITOU SPRINGS MIDDLE SCHOOL • MANITOU SPRINGS HIGH SCHOOL

MSHS Challenger Learning Center

At the Challenger Learning Center, freshmen scientists and upperclass space students completed their simulated mission to Mars and were awarded gold medals on their mission patches. Students used critical thinking to solve a mystery by cracking codes and unlocking locks. Last, students visited the moon, viewing the historic sites of the Apollo lunar landings and learned about NASA's Artemis program.

UPES Spanish colors

Señor Batson taught the kindergartners the colors in Spanish!

MSMS clay projects

This semester, our sixth- through eighth-graders are starting to work with clay. They created bowls that will be used for a future community event and are now starting a second clay project. They are working on ceramic hand-building skills and hope to have these projects glazed and ready to take home in time for Valentine's Day. Clay can get messy, but the students are doing a great job of cleaning up and being responsible!

Friday, Feb. 10

PARENT/TEACHER CONFERENCES:

Thursday, Feb. 16 • Friday, Feb. 17

NO SCHOOL:

Monday, Feb. 20

MSHS basketball game fundraiser

“
**Thank
You**
♡

Thank you to our amazing MSHS Community for coming together at recent basketball games to help raise more than \$2,000 to honor the late Erik Melgoza (Alamosa High School athletics director). The money will be combined with donations from other Tri-Peaks League schools — all of which will go towards a scholarship fund for Erik's daughter.

MSES learning to life

To bring our learning to life, we invited a guest speaker to come visit our kindergarten classes and talk about some real Lakota Sioux artifacts and traditions. Mrs. Farrell's husband, Mr. Don, came to share his wealth of knowledge about the Lakota Sioux tribe. Students had the opportunity to touch artifacts such as tools, beaded necklaces, moccasins and drums.
