### UPES Tipi Dedication

The entire school and several past staff members gathered around the new Ute Pass Tipi to dedicate it to Mr. Greg DiFiore. Mr. DiFiore worked at UPES from 1995 until 2022. He was instrumental in getting the tipi and ensuring it was done appropriately and with the blessing of the Ute Tribe elders.

### MSSM Stuffed Creatures

Seventh grade art students are creating 3D stuffed creatures for students in second grade at MSES. The second graders drew creatures on paper. The seventh graders are sewing felt together and then stuffing it with a fiberfill.
