MSES Zoo

Kindergartners studied animals over the last few weeks and were able to take a trip to the zoo. When you are in kindergarten, the giraffes are extra tall!

New Superintendent

The MSSD14 Board of Education unanimously selected Sean Dorsey as the new Superintendent. The Board hopes Mr. Dorsey will start no later than July 1, 2023.

"I am honored and excited to be selected as the next Superintendent of Schools for Manitou Springs School District 14. The selection process confirmed what I already knew about MSSD14...that it is a tight-knit community deeply passionate about meeting the needs of the whole child," said Sean Dorsey. "I grew up in a small town similar in size to Manitou Springs and its surrounding communities. I understand firsthand and appreciate the value of education and experiences in a smaller setting. I am committed to hit the ground running in serving students, staff, families, and members of the Manitou Springs School District 14 community."

MSMS S.T.E.A.M. Night

Approximately 300 people attend. Students got to engage with professionals from more than 20 organizations in science, technology, engineering, art, and math fields. Funding was provided by the Manitou Arts, Culture and Heritage Initiative.

MSHS Earth Week

The Environmental Club planned an Earth Week celebration that included dress-up days and a thrift store. They also had a BBQ lunch for staff and students. Several vendors were stationed in the old gym where students could tie-dye shirts, learn about gardening, planting, composting, mushrooms, and shopping locally.

UPES Fun Run

All grade levels took part in the Pony Fun Run! This is UPES biggest fundraiser of the year.
