## New Staff Corner

### Anna Conrad

Anna Conrad is thrilled to join the Mustang herd as the new assistant principal at Manitou Springs High School! Anna is looking forward to building relationships and pursuing deep learning with students, families and staff

by drawing from the rich Manitou roots of MSHS traditions, wellness and community involvement. In her free time, she loves coaching/playing volleyball, backpacking, Nordic skiing, doing yoga and reading.

### Chris Goodloe

Chris Goodloe is starting his first school year at Manitou Springs High School. He started coaching football this past spring, along with baseball later in spring and early summer. It was the most enjoyable experience he's

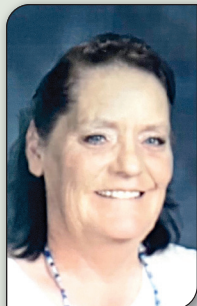

had since he started coaching sports. Chris' hobbies and favorite things include getting out and enjoying time with his family, engaging in sports (whether it's watching, playing or coaching) and finally getting in a daily workout.

### Emily Leskee

Emily Leskee is thrilled to join Manitou Springs Middle School as the new art teacher! When she's not hiking or being active outdoors, you can find her creating and learning new skills. She really enjoys photography, nutrition and

going on adventures with her husband and three kiddos. She is very excited about joining the Herd because of the amazing culture and focus on relationships and deep learning.

### Sunday McKnight

Sunday McKnight is excited to join the MSSD custodial staff.

She loves the amazing staff and they have made her feel right at home. She loves being so close to the mountains and nature. Sunday spends her free time going to Cripple Creek

and going for rides in the mountains. She's thankful for the opportunity to work in and enjoy such a beautiful place!

### Katie Taylor

Katie Taylor is excited to join the preschool team and says Manitou Springs Elementary School has stolen her heart! She knew she wanted to be part of the school beyond being a parent of four students. Katie feels this is her chance

to give back and have so much fun doing it! Go Mustangs!

### Taylor Walsh

Taylor Walsh is a new member of the second-grade team at Manitou Springs Elementary School. She grew up in Colorado Springs and has been teaching for four years. She's so excited to be a Manitou Mustang! Taylor loves

to garden, practice yoga and spend time with her family and pets.
