6-12 Parent Action Committee

Did you know that MSMS and MSHS have a 6-12 Parent Action Committee?

The PAC's mission is to promote and involve meaningful parent participation and support in-school activities by enhancing communication, enriching ideas and providing resources to parents, staff, students and the community.

At the next PAC meeting, officers will review and approve the mini grant requests that teachers have submitted, discuss the silent auction, and review responses from their interest survey. PAC officers really hope you will be able to join them!

You can find links to the survey, past minutes and other great stuff on our D14 PAC web page here: bit.ly/3tHwAKu.
