DÍA DE LOS MUERTOS

Spanish I and II classes made these amazing ofrendas to commemorate the celebration of Día de los Muertos. We would love for everyone to stop by the World Language hall and enjoy this beautiful display.

Bus evacuation drills a great success

Last month, the Transportation Department conducted its annual bus evacuations with MSES and UPES. Thank you to both elementary schools' staffers for all their help! The kids did great, and were very excited to participate.

Thanks to the

transportation crew members for their continued dedication to the safety of all the kids in Manitou schools.
