MSMS math students measure up!

Ms. McCune's seventh grade PreAlgebra students tested out indirect measurement. They looked to see if they could find the height of an unknown object using the length of its shadow in relation to their own height and shadow.

MSHS students shine in orchestra concert

On Wednesday, Dec. 1, parents, families and students were treated to the first MSMS Orchestra concert of the school year! It was so nice to have an indoor winter concert. Thanks, Mr. Williams, for showcasing your talented students!

National Special Education Day

Paula Faucette and the Nutrition Services team honored our Special Education Teams by sending a special charcuterie box to each of them on Thursday, Dec. 2. Many thanks to our Special Education Staff for all they do for our students each and every day!
