MSES Space Night

Third-grade students had a fabulous Space Night! The level of project work that the kids took ownership in was incredible. The presentations they made showed just how much they learned during our space unit!

Adam's Mountain Cafe

On Monday, March 7, staff from all around the district participated in the Adam's Mountain Café Cooking Class and Dinner. Thank you to Adam's and Partners for Health Choices for this incredible and delicious opportunity!

MSHS Club Español

MSHS foreign language teacher Terrence Batson and Club Español have worked hard and consistently over the past several months to fund the sponsorship of Moris, a 6-year-old El Salvadorian child for an entire year through Unbound. Students are looking forward to exchanging letters and cards with Moris and continuing his sponsorship through future fundraising. We are incredibly fortunate and proud to have such compassionate and selfless club members! ¡Gracias!
