UPES Sixth Grade

Students from the Mountain Academy of Arts & Sciences met recently with park rangers during a hike at Ute Valley Park to learn about park and trail management. This is part of a larger initiative in which the sixth-grade program is seeking Leave No Trace Youth Program Accreditation and will be among the few Colorado public schools to receive this accreditation. The goal is for students to learn how to be stewards and advocates for public spaces and minimize impacts while enjoying the natural world!

MSMS Band

Please plan to attend the MSMS Band Concert on Wednesday, May 11, at the District Auditorium and enjoy a music-filled evening!

IMPORTANT DATES
