Pikes Peak or bust!

Mrs. Marquardt's Manitou Springs Elementary fourth grade class was able to take their field trip to the summit of Pikes Peak on Tuesday, Oct. 20!

There's more than one way to have a concert

Abby Steen (6-12 Choir), Danny Tramel (6-12 Orchestra) and Taylor Weimer (6-12 Band) have innovated for their students to be able to hopefully have a virtual concert in December.

Mr. Tramel repurposed some recording equipment from the old MSHS radio station room and set up a recording studio! All three teachers are recording their students individually and Mr. Weimer and Mr. Tramel are using their own home recording studios to mix the band, orchestra and choir students tracks into one group performance!

We look forward to hearing the students in this new, virtual performance. Way to go performance arts team!
