

Did you know?

Manitou Springs School District hopes to have a 21st Century outdoor play area coming its way? In keeping with our mission of getting kids outdoors and making connections with others, Manitou Springs School District has plans to update and innovate our outdoor play areas! Plans include a sand volleyball field, archery

range, exercise and common areas, basketball courts, and the completion of the Trax car course and grandstands!

If you're interested in helping make these opportunities a reality, please contact Mr. Danny Gieck, director of buildings and grounds, at dgieck@mssd14.org

International Day of Peace

Manitou Springs Elementary students and Middle School students collaborated for the International Day of Peace. Together, they created Pinwheels for Peace — making a “whirled” of change!

The International Day of Peace is observed each year on Sept. 21. Since 1982, the United Nations has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples.

Mrs. Dunlap’s art classes worked with Manitou Springs Middle School art students to create paper pinwheels in

order to promote awareness of peace both locally and globally. Middle School art students walked down to MSES during their scheduled art block times in order to help and support elementary students.

This year our district’s homecoming parade coincided with International Day of Peace on the 21st of September, and Manitou Elementary students represented with their Pinwheels for Peace before the parade.

The pinwheels will also be on display in front of the school on Duclou Avenue!

Connect 14 online registration ... OPEN!

OPPORTUNITIES = MEMORIES

<https://www.connect14.org>

Connect 14 is off to a strong start this school year! This after-school program is bringing students together with local volunteers and district staff to help kids “disconnect to reconnect!”

Students have been participating in martial arts classes, gardening, playing sand volleyball and street soccer, designing and building Trax racecars, and taking dance, music, art, film and theater classes!

It’s not too late to register your student for Connect 14 classes ... please visit our website, contact Arts 14 Director Joye Levy at jlevy@mssd14.org or Sports 14 Coordinator Danny Gieck at dgieck@mssd14.org.

ARTIST OF THE WEEK

Artist: Ella Slater, 11th Grade, MSHS
