

MANITOU SPRINGS SCHOOL DISTRICT 14

GO MUSTANGS!

MANITOU SPRINGS ELEMENTARY SCHOOL • UTE PASS ELEMENTARY SCHOOL • MANITOU SPRINGS MIDDLE SCHOOL • MANITOU SPRINGS HIGH SCHOOL

Meet your District 14 Board of Education!

Todd Nagel, Vice President

Why am I on the BOE?

I chose to live in Manitou Springs

because of the fabulous people, businesses and geography. I believe that in a small community like ours, the school district and community are inseparable. Together they are the fabric of the culture. My desire is to serve by ensuring that our schools' community remains outstanding.

Why do I love MSSD14?

It could be as simple as meeting the principal of MSES when we first moved here in 2006. Mr. Vogel clearly loves the children and cultivates a community where people in the school care and work hard to educate our young students. My family experienced great teachers that first year at MSES and in every building subsequently; teachers who inspired our children and gave them opportunities where they were able to grow and be involved.

What are my goals for the BOE?

To work together in setting policy, providing vision and establishing goals in order to be an innovative, high-achieving and caring community for all children. This BOE is in a unique position to transition our district's culture of innovation along with our identified needs in the area of mental health to the next leader of MSSD14.

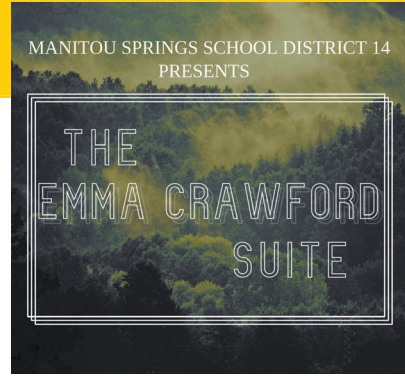

A little about me ...

Originally from the Midwest, my family has lived in Manitou for 11 years. I'm the broker-owner of Focus Real Estate and love building relationships while assisting others in buying or selling homes! I'm lucky enough to be husband to an outstanding MSSD14 educator. We have four fabulous children, two of whom recently graduated from MSHS. I have been the wrestling coach at the middle school for the past five years.

MSSD14 presents The Emma Crawford Suite

Please join the MSHS band, orchestra and choir students as they perform an original suite of music based on the legend of Emma Crawford. This suite was composed by orchestra and band directors, Danny Tramel and Taylor Weimer.

The end-of-the-year concert will take place at The ENT Center for the Arts, 5225 N Nevada Ave., on the UCCS Campus Friday, May 3. Tickets are available at tickets.uccspresents.org/1293/1294.

MSHS High School Musical: The Copacabana

"At the Copa, Copacabana ..." the strains of Barry Manilow's iconic song will have audiences singing along at Manitou Springs High School's spring musical production. The opening show

will be 7 p.m. Friday, April 19, with a 2 p.m. matinee and a closing show at 7 p.m. on Saturday, April 20, at the District Auditorium.

The story takes us into the imagination of Stephen, an aspiring songwriter, who imagines a small town girl, Lola, trying to make it big in show business. She gets her start at the Copacabana, but is seen by Rico, who kidnaps her in order to make her the lead at his cabaret in Havana, the Tropicana.

The spring musical pulls together the talents of a diverse group of students and instructors at the high school. The sets and costumes in this production are handled by the technical theatre classes, with giant palm trees backing the Carmen Miranda-esque costumes and headdresses worn by the dancers. This is a

dance-heavy show, and the choreography by Nicole Berry has challenged the students and produced delightful results. Sandi Wilson heads up the vocal/instrumental sections, with Taylor Weimer joining for his first year, and their orchestra brings the show tunes and Cuban rhythms to life.

Senior Taylor D. and junior Hayla H. play the lead couple, with Jody R. as the former showgirl and Anton A. as the gruff Copacabana owner. The wicked Tropicana owner is portrayed by Mat H., with Atraya C. as his arm candy, who eventually provides his downfall. The show is filled with many other students, some seasoned veterans of the musical, some in their first roles onstage. It's sure to be a fun, toe-tapping show. Plan to join us! Tickets are \$5 for adults, \$2 for students.

School Events & Happenings
