In 1944, five young women take newly-available jobs at one of the largest munitions factories in the United States: the Badger Ordnance Works. The MSSH Theatre Department is presenting a brand new play by Don Zoldis, Badger. Directors Wendy Harms and James Reiter are excited to be presenting this well researched slice of America in 1944. "We have a great ensemble cast", says Harms. "Not only the actors, but the Technical Theatre classes, which built the set, have all learned a great deal about this piece of American history, and the role of women in the munitions factories." Badger is **next** weekend only, 7 p.m. Friday and Saturday night at the District Auditorium.

## MSSH Art Department hosts painting fundraiser!

MSSH Student Teacher Melissa Newberry worked alongside seniors, Josephine P., Ella S. and Conner L. in a "Painting with the Herd" art fundraiser.

"painting with a twist" style lesson. About 20 participants enjoyed snacks, smoothies and coffee while the students instructed the group in creating their paintings! A fun night was had by all who attended! Look for more of these opportunities to paint, connect and have fun in the future!
