## Thoughts from the Head Learner ...

**Thankfulness ...** As a matter of personal habit, I take five minutes each day and reflect on the things that I am most thankful for in my life. It certainly helps focus my mind and heart on those things that are positive and good and away from the stress and turmoil that are seemingly all around us.

I am extremely thankful for our wonderful community and your tremendous support for our school system and children. I am thankful that, at every turn, there are people who will lend a helping hand, who will volunteer to work in a classroom, and who will turn out to attend a musical, play or sporting event. Our community is so unique and special. I often reflect on the day that thousands of individuals dropped whatever it was that they were doing that Saturday to come to Manitou Springs with shovels, wheelbarrows, and buckets to dig out the downtown from a horrific flood. People were in 3 feet of "muck" working together, laughing, talking, and serving their fellow human beings. Frankly, it was the most incredible day that I have had in quite some while.

I am so thankful for our teachers and our students. They come to work and school

each day with joy, with hope, and with life-giving spirit.

I am thankful for the beautiful landscape surrounding our glorious town. I am thankful for the herd of deer that helps us keep our grass cut on the athletic fields.

So as this time of year rolls around, I want to again thank each of you for affording me and my staff the most incredible opportunity on earth — the opportunity to serve you and your children each and every day!

**P.S.** — I want you to know about our school district's holiday help program. You can see advertisements for it on this MSSD 14 page. We want to serve those who have a need this season, and we have teamed up with a few "powerhouses" to do just that.

The Manitou Springs Fire Department and the Kiwanis Club work with us to bring support to some of our families. Last year, our program — Partners for Healthy Choices (PHC) — supported 56 families, totaling 212 individuals.

Please contact Ms. Angela Gieck at 685-2024 if you'd like more information. Happy Thanksgiving everyone!
