Sparky's Back!

Former MSHS teacher Dennis Korth and "Sparky" cruise down Manitou Avenue during a recent MSHS Homecoming Parade.

Sparky is back at Manitou Springs School District. Former MSHS teacher Dennis Korth created Sparky, a fully-electric car, with his woodshop class in 1994. The Volkswagen has been a highlight at Homecoming parades and car shows over the years as Dennis has been keeping Sparky in top condition. The car is now back at the school district and high school students will have the opportunity to work on Sparky through some of their classes.

Pikes Peak Humane Society Fundraiser Success

Congratulations to Mrs. Paknys's Advisory class, "The-Wolf-'Pak'-Nys"!

This past Friday, students hosted a concessions booth, sold flowers and homemade Valentine's Day cards, and ran a photo booth at the Hearts and Hooves Dance at Manitou Springs Middle School.

The dance was very well attended, and the students had a great time.

Thanks to the effort and dedication of students from Mrs. Paknys's class, \$1,684.50 was raised and they have chosen to donate the entire amount to the Pikes Peak Humane Society.

Way to go Mustangs!

Mrs. Paknys's Advisory class, "The-Wolf-'Pak'-Nys"!
